TECHNOLOGY INNOVATION SCHOLARS PROGRAM

BU HHS

- Giving away \$3000+ in prizes
- 10 Workshops taught by experts in the field
- No previous coding experience is required!

Welcome to **BU HACKS HIGH SCHOOL**

FAQS:

What is BUHHS?
The Boston University Hacks High School is a hackathon created by engineering students from BU's Technology Innovation Scholars Program (TISP) for high school students in grades 9-12.

What is a Hackathon?
An exciting quick development and problem-solving event that brings all different backgrounds together to collaborate and engineer innovations.

When and where?
March 1st, 2025 from 9 AM - 6 PM @ BU Campus.

How much is it to join?
It is COMPLETELY FREE to join!

Will food be provided?
Yes, lunch and brain-powering snacks are provided throughout the day!

What if I don't know how to code, engineer, or do any of this?
No worries! We will have 10 workshops throughout the event that anyone at any skill level can participate and learn something new.

How many people per team are allowed?
Up to 2 people per team are allowed. Don't have a partner? Don't worry, we will help form teams at the event!

What can I win?
We will be giving out over \$3000 in prizes. You won't want to miss out!

How do I join?
You can register here by February 1st, 2025. Registration Link: tinyurl.com/buhhs2025

Have more questions?
Contact us at buhacks@bu.edu.
